spanning genres and decades, letting guests discover or relive their favorite sounds during their stay.

PERSONALIZED RECOMMENDATIONS

from our **Vinyl Ambassador** guide guests to hidden gems and perfect picks to match their mood.

IN-ROOM TURNTABLES

create a nostalgic, immersive vibe that turns any hotel night into a personal listening experience.

Play your stay.

Experience the warmth and nostalgia of vinyl during your stay. Our Vinyl Library features a curated collection of over 900 albums, spanning genres and decades— from jazz and blues to classic rock and modern favorites.

The collection was handpicked with intention, reflecting The Gunter's rich musical history, the soul of San Antonio, and the diverse tastes of our guests.

Each guest room is equipped with a turntable, allowing you to enjoy handpicked records in the comfort of your own space. To enhance your experience, guests have the option to pre-select albums prior to arrival, ensuring a personalized listening experience is ready as soon as they check in.

Not sure what to choose? Our on-site **Vinyl Ambassador** is available to offer tailored recommendations based on your preferences and mood.
